EVOCS01

ON-BOARD CAMERA SYSTEM (CAB & EXTERIOR)

- H.265 Compression Technology
- 30 fps @ 2560x1920
- W D R Pro for Unparalleled Visibility in High Contrast Environments
- Fast AE for Quick Adaptation to Light Changes
- Smart Stream III to Optimize Bandwidth
- Efficiency
- Weather-proof IP66 and IP67, Vandal-proof IK10 Housing
- Built-in IR Illuminators, effective up to 20 Meters
- Built-in 802.3af Compliant PoE
- Built-in MicroSD /SD HC /SD XC Card Slot for On-board Storage
- EN50155 2017 Rail compliance
- OT2 (-40°C to +55°C) Compliance
- Video Rotation for Corridor Scenario
- Field of View ► 110° (Horizontal)
  - ► 63° (Vertical)
  - ► 129° (Diagonal)
- Day/Night function
- Pan Range ±30°
- Tilt Range 90°
- Rotation Range ±180°
- Built-in microphone with 5 meters effective range
- Optional functions
  - ► GPS tracking of assets on google maps
  - ► Live viewing capabilities
  - ► Event trigger function
  - ► Multiple camera streaming
  - ► Built-in shock sensor
- Full system including camera(s), NVR, corresponding power supply, display*, network access devices* (*: optional items based on customer requirements)
